

DEER-SNACK

Freeze-dried meat chunks

Long-lasting super-treat with an intense aroma, maximum flavour and a variety of nutrients.

Thanks to our special freeze-drying technology, the flavour, aroma and nutrients are optimally preserved. Our especially gentle processing yields a snack treat with a long shelf-life, perfect for travelling, training and daily rewards.

Our protein-rich treats allow the body to build and/or gain muscles and also promote healthy bones.

Bavarian quality

Wherever possible, we proudly source our ingredients from local providers and process these in Bavaria, ensuring the best possible standards for your pet.

Special features

- Free from preservatives
- Free from additives
- 100% natural
- Gluten-free
- The meat is neither irradiated nor treated with chlorine
