

# TAGESCREME

Protects and cares for your skin

**Protective and nourishing day cream with three enriching organic oils and a variety of soothing agents.**

RyBeauty's Day and Night Cream are two essential beauty items. The Day Cream is applied after routine face washing in the morning or following a shave. The Cream is applied to the skin by gentle rubbing into the face, neck and neckline.

RyBeauty Day Cream provides your skin with moisture, preventing it from drying out. Dirt, dust and bacteria are deflected and sebum production is regulated.

**Note:** Apply the cream to your skin using circular motions. This encourages circulation and improves the skin's ability to take up the nutrients.

## Active ingredients

**Organic sea buckthorn pulp oil:** The juice of sea buckthorn berries is rich in vitamin C and antioxidants which protect the body from free radicals.

**Organic aloe vera:** is moisturising and soothes weathered, irritated skin.

**Organic avocado oil:** particularly gentle for sensitive skin and prevents it from drying out.

**Organic olive oil:** supports skin regeneration, makes the skin smooth and silky. Supports the formation of the skin's hydrolipid layer.

**Glycerine:** provides moisture and smooths the skin

**Vitamin E:** reduces inflammation, promotes wound healing.

**Ectoine:** often considered a miracle ingredient provided by nature. It protects the skin from damage caused by stressors such as UV-radiation, dryness, heat or cold. It also supports the ongoing moisture of the skin.

## Plankton extract

A special feature of the RyBeauty Cosmetics Range is the plankton extract which is taken from **marine plankton**. The following effects have been proven in studies: It improves the skin's physical barrier, its chemical barrier and supports rapid regeneration of the skin's hydrolipid layer.

**Ingredients from the sea - for healthy skin!**

The **five pillars** of RyBeauty Cosmetics:

1. **Care and repair:** Organic aloe vera and sea buckthorn pulp oil ensure a gentle treatment and provide the body with substances it requires for its own regeneration processes.
2. **Protection:** With a blend of three organic oils, a protective layer is formed over your skin, protecting it from irritation, germs and dehydration. This protective layer is also strengthened thanks to the plankton extract in the product.
3. **Anti-ageing:** The moisturising ingredients (e.g. glycerine, hyaluronic acid) help to produce smoother skin. Other ingredients (e.g. ectoine) slow the skin's ageing process.

# TAGESCREME

Protects and cares for your skin

4. Natural cosmetics: With the "Natrue" seal, we confirm that our products meet 100 % of the requirements for natural cosmetics.
5. Hypoallergenic: Only well-tolerated substances are used in the products. The products have been dermatologically tested.

As with **all RyBeauty Products** our Day Cream is

- free from petrochemicals and mineral oils
- free from paraffin
- free from silicon oils
- free from petrochemical substances
- free from synthetic fragrances
- free from sodium-laureth-sulphates and sodium-lauryl-sulphates
- Natural cosmetics given the Natrue seal of approval
- Dermatologically tested on skin
- free from allergens
- free from preservatives
- with plankton extract - the power of the sea

## Application

Apply to clean skin, covering the skin on the face, neck and neckline.

## Skin type

Suitable for all skin types.

## Ingredients

Aloe Barbadosis Leaf Juice Powder\*), Glycerine, Persea Gratissima Oil\*), Olea Europaea Fruit Oil\*), Orbignya Oleifera Seed Oil\*), Cetearyl Alcohol, Glyceryl Stearate Citrate, Isoamyl Laurate, Propanediol, Tocopheryl Acetate, Ectoine, Oleic/Linoleic/Linolenic Polyglycerides, Aqua, Plankton Extract, Sodium Hyaluronate, Opuntia Ficus-Indica Stem Extract, Hippophae Rhamnoides Fruit Extract\*), Dipotassium Glycyrrhizate, Bisabolol, Tocopherol, Rosmarinus Officinalis Leaf Extract, Helianthus Annuus Seed Oil, Xanthan Gum, Sodium Gluconate, Citric Acid, Sodium Stearoyl Glutamate, Phenethyl Alcohol, Glyceryl Caprylate, Sodium Levulinate, Sodium Anisate, Disodium Phosphate

\*) certified organic/controlled biological farming

## Best before

9 months after first use
